TWO DRIVERS ON CALL--

VIVIAN and JERRY BOYD--

BRISBANE CAB CO.

LOCAL COUPLE INJURED:

Mr. and Mrs. Harold Arthurs were enjoying a Sunday ride in the little "cut-down" roadster which Harold has been fixing up for some time, when suddenly the gas throttle stuck, and the little car rammed head-on into a tree at the intersection of Visitation Avenue and Alvarado Streets last Sunday, about 7 p.m. Mrs. Arthurs was thrown out onto the pavement, and suffered a dislocated hip (at latest reports available to this paper)--while Mr. Arthurs received a bad head injury. First on the scene to help the injured young couple was Mrs. Helen Brady, who had heard the crash from her back porch. Mrs. Brady called the local ambulance, who appeared in short order and took the young couple to the South San Francisco Hospital. Mr. Arthurs has been released, but we understand that Mrs. Arthurs is still at the hospital. But for the Grace of God, these two young people would have been added to the growing list of "Traffic Fatalities" which is killing more people today than any war the United States was ever involved in.

LOCAL GIRLS ATTEND BACH FESTIVAL:

Girl Scouts who have been enjoying a Music Appreciation Class taught by Mrs. Louis Duncan, attended the Bach Festival at the Presbyterian Calvary church last Sat. eve. Florence Whitson, Gwendolyn Lynch, Ann Jorgensen and Mrs. Duncan made the trip into San Francisco for the festival.

Mr. Kenneth Hart, the recent winner of one of Del Courteney's talent search contests over KPIX-TV, has contacted this paper and asked that we extend his grateful thanks to the many Brisbane well-wishers who sent in votes for him and helped him win that week's contest. Hart stated; "I couldn't have won without their help. Tell them I'll never forget what they have done for me."

POSTOFFICE PICNIC:

The personnel of the Brisbane Branch Postoffice took a "day off" last Sunday and held their first "annual picnic" at Laurel Park on Steven's Creek. They cooked an outdoor breakfast of bacon, eggs, and coffee (?)--had a picnic lunch, danced, swam, played ball and cards, and generally had a wonderful time for themselves. Those enjoying the outing were the Alan Bybee family, The M.R. VanKirk family, Mr. & Mrs. A.G. Brooks, the Harold Tikkanens, the H.C. Ingrams, and the Bob Todds.

LOCAL POLICE BOARD ACCEPTS NEW PLAN:

At the Open Police Commissioner's meeting held at the local school house on Tuesday evening of this week, Sheriff Earl B. Whitmore explained a plan now in operation at Half Moon Bay as an alternative to the present plan. This new plan was suggested by one of our three Commissioners sometime ago because of the depleted treasury of the local Police District. This plan would put a deputy sheriff in this vicinity in a radio-patrol car, to patrol this area nightly from 8 p.m. to 4 a.m. The plan was accepted by the local board, but it must be voted upon by County Officials before it can become an actuality here.

According to Sheriff Whitmore, the present plan would no longer be advisable due to the depleted treasury. The new plan was the almost unanimous choice of the interested local citizens who were present at this meeting.

It was also announced that in the future it would be possible to have a Civil Service Representative here to guide and protect school children at the more dangerous crossings.

BLAIR'S RANGERS ON FIELD TRAINING:

Blair, the company shot better than average on this trip. 28 Rangers were present for duty.

Promotions in the ranks of the Rangers include that of S/Sgt R. Vogler to T/Sgt.; Sgt. A. Souza to S/Sgt.; Ranger 1st Class Waldo Woodard to Cpl.; and Ranger 1st Class Ray Varney, WAC, to Cpl.

A plug also was given via Hazel Hoskins and daughters, Dolores and Pat, last Monday, on the "MAN ON MISSION" broadcast last Monday, over KRON-TV.

Hm! If IT PAYS TO ADVERTISE-- we should have quite a crowd of out-of-towners this coming weekend!

Square dancing will be held at the Brisbane School Auditorium beginning at 8 o'clock.

Any adult who would like to enjoy an evening of fun and relaxation are cordially invited to visit our club. New Members are welcome. Join now, and don't be late. Have the time of your life--with CIRCLE EIGHT!!

PICKERS NEEDED FOR BERRY CROP:

The State's Boysenberry crop is being threatened by a shortage of field workers, the Fresno Berry Growers Assn. declared recently.

E.G. Grimes, manager of the association, said warm weather has hastened the ripening of the berries and that 1000 pickers are needed in addition to the 2000 working now.

Competition between berry growers and cotton growers for available workers has made the situation acute he said.

NEVADA WEEKEND:

The Sidney Roycroft of upper Visitation Avenue spent last weekend visiting various spots of interest in Tahoe, Carson City, and Reno Nevada.

Incidentally, it has been announced that Highway 88 is so badly torn up for about 15 miles that it is suggested that travelers to Nevada use the other highway.

We understand that other Reno visitors last weekend included the Shoe Store people, Lila and Bud Miles. p.s.--I don't think they brought any of "it" back--and no "silver dollars" to prove where they'd been!

Attending Covelo Graduation:

Mrs. Agnes Lehning, of 7 Lehn- ing Way, is taking a week off from her duties at Laing's Fountain to attend her niece's graduation in Covelo, California. Miss Barbara Isdahl, of Covelo, is graduating from the eighth grade there this week, and Mrs. Lehning will return to Brisbane early next week.
